

StarBoard FX-TRIO-88W

# INTERACTIVE WHITEBOARD

## Spread Imagination Far and Wide

Take advantage of the 88inch interactive whiteboard which will bring your presentations to life. Successor of previous StarBoard models, the FX-TRIO-88W allows you the opportunity to have three people to work simultaneously on its widescreen surface. Discover all enhanced features of FX-TRIO and capture your audience's attention with effective visual-based materials.

### Interactive Group Work

Up to three users can operate the board simultaneously and work in a team on the same task. The wide surface of the board gives more space for a comfortable group work.

### Touch and Control

All operations on the board can be performed with a finger, stylus pen or an electronic pen, depending on your preference.

### Multi-Touch Features

Operate the board by using hand gestures to zoom or scroll the pages and images.

### Widescreen Surface

The widescreen surface of the board provides an additional working space and contributes to comfortable group work. It works with existing wide-format technologies and contents without distortion and creates high-impact lessons and presentations.
